The above named person please tell us the story of  
of your detention:

I was captured by Americans our check post is  
located at Sati Kandow in this check post we had 12  
persons,

[REDACTED], Samal, were present at the  
check post. [REDACTED]

[REDACTED] were at their Houses. This was a Security checkpost.  
[REDACTED] was the Commander of the post and  
Food Ration was given to us from Corp. Commander  
of the (CI) of the Corp was [REDACTED] We had 12

AK47s at the check post. From the heavy weapons  
we had one Rocket, ~~AK47~~, one mortar, and Dashaka  
and 75 mm Artillery nothing else. ~~To my~~ I used  
to with (CI) and then I went to Sati Kandow  
check post. We were responsible for Guarding and  
Patrolling. We never searched vehicles completely.  
The truth of the matter is the ~~the~~ Zadran tribe  
has complained that our check post was bothersome  
to them and that we are ~~not~~ highway Robbers.

Possibly that Americans miss understood that and  
attacked our check post. One day of capture the  
Americans asked for tea and we did not have  
our weapons on us and detained us. They did not  
detain us first, they beat us and pulled our nails.  
~~and~~ and they killed one of check post members  
by beating. It's been a while we are in jail and it's  
been 3 months. For some times we were at a compound  
to to local Security and now it's been about 6 days  
that we are in Kabul.

000250

We were brought here by Paksa Security forces  
I say we are innocent, if there is any evidence  
We will accept our guilt otherwise we consider  
Our selves ~~are~~ innocent.
