As he admitted himself he studied with Mojahedin Police force in Pakistan. We do not have any kind of document from him in our record. Because there were some report against him with the American forces in Gardez. On July 13th 2003 we transferred him from Gardez security office to the American base, on 2/6/1382 (August 24th 2003) after two month and twenty days he has been released. As per his request and according to the law of Afghanistan Interim Government we accept him back to the police force and up to present he is working as a reserve. More important when Said [redacted] released from Jail of allied forces he never verbally or in writing reported to me or the office regarding how he been interrogated and how inhumane treated him, how he been tortured. He never complained to me that what happened to him. I heard about his complaint from world radio stations. This was my statement.

Dear Sir:

I [REDACTED] S/O [REDACTED] current address [REDACTED] city [REDACTED] b6-4, b7c-4
of Gardez officer of commanding Security Paktia province on 1382 (2003) I was in my
office and I had my police uniform on and I have been called by commander of Security,
[REDACTED] to his office, I saw that there was several people from coalition forces b6-4, b7c-4
were seating at the commander office. The commander called several police officers like
[REDACTED] and others on. He wrote our names and hand it to the coalition b6-4, b7c-4
forces and the commander of security told them that [REDACTED] knows more than every b6-4, b7c-4
other. Coalition forces took me with them and hand me to the director of detection of
national army and then they moved me to the tent belonging to the national army. At this
time the director of detection by using threatening words took my inhaler medicine,
which I needed for my asthma. After a few hours of waiting on the national army tent,
which located inside the base I have been moved by an American interrogator to a
different room and they shut the door close. At 4:00 PM the same American interrogator
came in with a translator. The person in charge of interrogation asked me about Jihad
leaders like [REDACTED] and [REDACTED] and others, I gave him the answer. After b6-4, b7c-4
spending several nights in that room, the room got flooded and I was drowning. Then a
person from national army got me out of the water and moved me to the main street and
there was one more prisoner in that room that they took us to the national army tent and
then by the American they put us back to the same room which was flooded after several
hours because we were very ill they moved us from this room and they put us inside a
vehicle body. In the night they moved us to national army tent but after a few days the
American moved us by ridding the motorcycle to another location for interrogation.
During the interrogation my eyes were blindfolded and my hands were cuffed but from
noises IU knew that there were 3 or 4 Americans and one linguist that they were
interrogating me. By using bad words they put me down and with laughter they were
asking me that with what kind of animal I had sex. At the same time all of them that
were involved in the interrogation they sounded like animals and put their fingers in my
ass and were laughing. And then they said that my family has become prostitutes and
they are begging. They also said that there is a snake crawling all over my body and
asked me if I can feel it. They told me that they are going to send me to Fidel Castro.
During the interrogation they were not letting me sleep. They made me stand on my
knees by cuffing me to a piece of wood that was connected to a belt. Then they would
beat me down with their feet and put their feet to my neck. I was not allowed to see or
talk. They were telling me no to say Allah, Allah (God God).
After twenty or twenty two days which there several other prisoners from this province
they transported all of us with an aircraft to Kandahar, inside the aircraft threw us on top
of each other and we were really hungry and thirsty. In Kandahar without giving us food
or water they cuff and chained every one of us to a chair, then they made us kicked and
started beating us and called us names. I could hear camera sounds, we were blindfolded.
After beating us by feet and taking pictures they put us inside a wooden cage. We were
not allowed to look or talk. They did not give us enough food. They would bring bucket
full of rocks and would hit us with rocks all night from four sides. They also were
throwing bottles full of water at us. They would bring dogs around the cage and treated
us. They put some of the prisoners on pill of dirt and throw water on them until morning.

Americans were laughing at us. They threw more rocks at me because I was very ill, and they were threatening me. Approximately after twelve days they moved me to Bagram airport. In Bagram they took me to the second floor. They made me necked and asked me where is this place, I told them that I do not know. They told me this is America and do I accept American law. I said yes. They told me to make sure I obey the solders. Look around and get necked at this time I got fully necked and they inserted something in my ass and I was not allowed to see it. They took my fingerprints, then after shaving my head and gave me red color clothes they put me inside of 13 people cage. Furthermore the people in charge of interrogation in Bagram and Kandahar as they treated me well but in Paktia they treated me inhumane. Up to now my police hut, which I paid 80 RPS for it, my ID card and some other personal property they kept. Because of all beatings by feet, sleep deprivation, standing on one foot, seating on my knees and keeping both hands up and heavy wood to my hand, I developed mentally and physically conditions. I have nightmares, the linguists in Paktia they treated me very bad. One of them had a red jacket and had regular height and they had mask in their faces because I was blind folded I could not see anymore. Because of personal problem and wrong reports I was arrested and my family suffered.

My request is to identify those people and bring them to justice, and I should get paid restitution. Furthermore in Bagram they gave me a holly Quran but there was no water to Wodu (wash myself before pray)

Your Honor !

About 15-20 days after my release, a person by the name [REDACTED] came to the office of regional Gardaz independent human rights commission. He brought the list of personal items that was taken from him during the search such as pictures of his children, ID card etc. The office requested info about whether coalition forces has tortured or did not torture him. Despite the fact that he warned me in an intimidated manner, he warned me not to mention about his torture to anyone. Since we trust the commission I want to verbally state (not in writing) what was happened to me.

After they terminated me from my job, about 22-26 days they interrogated me every night in Gardaz and tortures like kicking my buds, curse & use of harsh (nasty) words like your wife is a hore, your daughter is a hore, and they are working on the street. they kept me awake, made sound of animals and ask which animals I had sexual intercourse with.

After my transfer to Kandahar, they put me naked in the room, threw stones at me, they let the dogs loose and they put mechanical apparatus in my rectum. Their attitude was mean against humanity & against standard norms. But in Bagram condition was different, they treated us better compared to Gardez & Kandahar.

After 15 - 20 days from his release [REDACTED] stopped by to the Human Rights office in the city of Gardez and had a request paper that when he was searched they took some his personal property like pictures, pictures of his children and his ID card and he wants them back.

Our office requested information from him regarding how he been treated or tortured. He insisted that they warn me, threaten me that I should never to nobody talk about how I have been treated or tortured. Because of my trust to the Human Rights office I can only verbally explain it to you that what happened to me. It was during the regular work hours when they picked me up from my job. For a period of 22 - 26 days every nights they were interrogated me and they tortured me and they put their finger to my Ass, call me bad names and using very bad names like wife became a prostitute, your daughter became a prostitute and they are bagging everywhere and this kind of words. They would not let me sleep and they were making noise like animals and they were saying that with which one of those animals you had six with. After they transported me to Kandahar they put me in a Cage, necked and they were throwing rocks toward me and they released Dogs on me. They had a mechanical thing and shove that into my Ass. It was a very bad condition and inhumane and against human rights and all accepted rules and laws in the world. Once I got in Bagram the conditions changed. In contrary to Gardez and Kandahar it was very humane.

To the director of Human Rights in Gardez city.

Greetings then:

On 2/14/1382 (July 13th 2003) which I had my police uniform on, they turn me over to the American forces. After a long interrogation and torture in Paktia, Kandahar and Bagram I acquitted therefore I brought my case to your office to do your own investigation and for financial and physical damage that me and my family suffered during my detention we should be compensated. Those people who wrongfully reported me must be found and should be punished by roll of law. Further more once I released by the American some unknown people they took over my land and removed my sons and my brothers. Government officials found out about this and arrested them. About 1300, 12 May 04, SA [redacted] ^{b7c-1, b6-1} coordinated with SFC [redacted] ^{b7c-3, b6-3} Persons Under Control (PUC) Facility Operations NCO, 450th MP CO, Bagram Air Field (BAF), who provided a packet containing detainee personnel records, in-processing and out-processing data sheets, incident reports, certification of release, weight roster, report of observation and DD Form 2708's pertaining to Mr. [redacted] ^{b7c-4, b6-4} confinement in the PUC facility, BAF.

Agent's Comment: Mr. [redacted] detainee packet contained secret documents, therefore it was not attached to the case file.

^{b7c-3, b6-3} SFC [redacted] detailed the typical process for a detainee being brought to the PUC Facility. SFC [redacted] related the detainee is escorted to the in-processing station, which is located in the rear of the facility. The detainee is told to stand in a marked area in the middle of the in-processing room. The room during this process usually has numerous MP's, a Criminal Intelligence Task Force (CITF) and Military Intelligence representative, an interpreter and medical personnel. The detainee is then asked a series of biographical questions and is told the rules of the facility and in processing procedures. The detainee is instructed to disrobe, the items he has on his person are documented and photographs are taken of the detainee to document their condition and any injuries. The medical personnel checks over the detainee, which includes a PPD test and rectal exam, and then he is provided clothing. The detainee has his fingerprints and mug shots taken and he is escorted to the showers and have to have his head shaved. The detainee is then interviewed by MI personnel. The detainee is placed under watch for 24 hours and is placed in the respective holding area. During the stay at the PUC facility the detainee is seen by medical personnel for a PPD reading and any other problems they may have. An MP escorts the detainee to the medical screening area and stays with them the whole time.

Once the detainee has been approved for release from the detainee review board, Medical personnel again see them to be out-processed. SFC [redacted] ^{b6-4, b7c-4} related the detainee is out-briefed, provided his clothing and items back along with food and water and is usually escorted back to the original area of capture and released.

Name: [REDACTED] prisoner for 6 months and 7 days in Bagram.

On month of Jauza and the night of 13/13 at 11 pm at that night, they took us from our home by force to Compine. Then after 3 days they took us to Bagram.

We had very hard time in Bagram, because my back was hurt since I had back surgery before. Our store was closed for $4\frac{1}{2}$ months, until my brother was released then he reopened the store. While I was in prison people give us hard time. They took our weapon the only one we had for our own security. One night they broke our window and but they ran away because we woke up. Several days later they burned our house and put fire to all our belongings, which cost us 200,000 Afghani damage. Approximately 60,000 Afghani damage to our store. The total cost us 800,000 Afghani damage all together damage.

All our farms were destroyed which cost us 400,000 Afghani. That night they took us to Compine, a car was crashed and fall in the river.

That car was carrying American and Afghan Soldiers. Those Soldiers are from American are our guest which they came to this country to bring us peace and freedom and our Afghan soldiers are our brothers. They were all injured on that accident. 028859

2

We are all happy from Americans. We were arrested for false report against us and some personal enemy. This person is American and our enemy. Because of this action they do not only give trouble to people our people but also to American. We never want to be against Americans. Since I had back problem and it got more worse in Bayram. Now I am not able to work and I can not support my family.

We respectfully ask from Americans to please do not arrest innocent people without any evidence and approve against them.

In Afghanistan because of language discrimination and because of different tribes and different parties, they are enemy to each others.

They use American for their own beneficial to pass false report against each others and also to receive dollars. One of my cousin is in jail now. I requested from you to release him. Because [REDACTED] [REDACTED] is sick and he is in jail. His family is also sick. In campfire they closed all the windows they hide our arms and in our back and put damped water on us. In boarding they only feed us once a day (in jail).

They also took 4000 rupees from my pocket.

23 Mr. [REDACTED] added there was another individual by the name of Mr.
24 [REDACTED]. Mr. [REDACTED] stated the locals were afraid to assist

During the time from April 03 through Aug 03 that I worked in Gardez Afghanistan I translated between the locals and Army officers in several teams. As an interpreter I did not see any abuse of the locals or people who were held for questioning.

I also interpreted in visits between the local government officers and our Army people, there were always mutual respect and understanding. As an Afghan American I was proud the way our boys handled the situation.

I recall among ~~my~~ soldiers one by the first name of [REDACTED] who worked with a ODA team who was a gentleman loved by all people he worked with and produced more results than anybody else.

STATEMENT OF [REDACTED] TAKEN AT [REDACTED] DATED 19 Jul 04

b7c-5, b6-5

STATEMENT (Continued)

Q: WHEN YOU SAID [REDACTED] BEAT UP PRISONERS WHAT DO YOU MEAN?

A: I was told by locals or people in the community that [REDACTED] was kicking and stepping, and verbally abusing detainees. That's why he was wearing a mask when he was interpreting.

Q: HOW DID THE LOCALS KNOW IT WAS [REDACTED]?

A: Some of local ASF soldiers who were guarding the prisoners were able to hear and see what was going on.

Q: WHEN YOU SAID [REDACTED] WAS CAUSING HARM AND DETAINMENT WHAT DO YOU MEAN?

A: He would introduce some friends of him, from time to time, that has vital information about a cache or trouble makers and they would accuse somebody of wrong doing. Often not true. Caches were in homes all over and to harm someone who lived in such a home, often unaware of presence of the cache, was wrong. The actual reality was the cash he would share with the informant.

Q: ARE YOU SAYING THAT [REDACTED] WAS BLACKMAILING THE LOCAL POPULATION BY TELLING LOCALS TO GIVE HIM MONEY AND IF THEY DID NOT HE WOULD HAVE THEIR HOME REPORTED AS A CACHE FOR TALIBAN SUPPLIES?

A: I think he would do anything to gain money, whether from locals or selling the information to us through use of his friends.

Q: [REDACTED] HAVE YOU EVER HEARD OF [REDACTED] ABUSING DETAINEES?

A: No

Q: DO YOU HAVE ANYTHING TO ADD TO THIS STATEMENT?

A: I suggest we do not allow local Afghan interpreters where us Army uniform during interrogation. We shall get [REDACTED] terminated from contracting Gardley Fine base or transfer him to another base [REDACTED] b7c-5, b6-5 028869

Q: WILL YOU BE RETURNING TO AFGHANISTAN TO WORK? WHY SHOULD [REDACTED] BE TERMINATED OR MOVED FROM GARDEZ?

A: Yes I am. b7c-3, b6-3
He is a local Gardazi, who is gaining power and puts fear in people of the area at our expense.

We got rid of some bad government officials who were abusing local innocent people. Now we are giving this man power to do what ever he likes, as people fear us. We have given this man far too much power.

Q: DO YOU HAVE ANYTHING ELSE TO ADD TO THIS STATEMENT?

BASIS FOR INVESTIGATION: On 7 Jul 04, this office received a Request for Assistance from the Bagram CID Office, Bagram Airfield, Afghanistan, requesting this office conduct canvass interviews of soldiers assigned to the 327th MP BN, Arlington Heights, IL.

About 0930, 12 Jul 04, SA [redacted] ^{b7c-1, b6-1} coordinated with SFC [redacted], 327th MP Bn, Arlington, IL, who related there were about 113 soldiers assigned to the unit; however, not all had access to the detainees. Further, they would all be attending drill on 21 -22 Aug 04. SFC [redacted] further advised there were other soldiers assigned to the 805th MP Co, which had been under operational control to the 327th MP Bn for duty, and worked with detainees at the detention facility.

b6-4

CANVASS INTERVIEWS: Between 0730 and 1130, 21 Aug 04, SA [redacted] ^{b7c-1, b6-1} and SA [redacted] ^{b2-1} SEQ # [redacted] this office conducted canvass interviews of soldiers assigned to the 327th MP BN, who were assigned to the Bagram Detention Facility (BAF), Bagram Army Airfield, Afghanistan between Jun 03 through Apr 04. All of the soldiers canvassed could not provide any incidents of reported or observed abuse of detainees (see canvass interview worksheets for details).

About 1150, 21 Aug 04, SA [redacted] ^{b7c-1, b6-1} interviewed CPT [redacted] ^{b7c-5, b6-5} [redacted], 327th MP Bn, Arlington Heights, IL, who related she was the commander of the unit while they were deployed to the BAF, Bagram Army Airfield, AF. CPT [redacted] stated the only incident she was aware of pertaining to Abuse of a detainee involved a soldier attached to them. The soldiers name was SPC [redacted], Home Address: [redacted] (NFI). CPT [redacted] stated this soldier was laterally transferred to them from a Regional Reserve Center from Tennessee (See DIEDS print out for details). CPT [redacted] related SPC [redacted] was securing a detainee during in-processing, and an inspection team believed that he rolled the detainee harder then necessary and SPC [redacted] was counseled in writing. The letter of reprimand was locally imposed and destroyed upon their return from AF, and did not follow the soldier back to his unit in TN. CPT [redacted] stated the incident occurred in either Oct or SEP 03.

About 1230, 21 Aug 04, SA [redacted] ^{b7c-1, b6-1} interviewed CPT [redacted] ^{b7c-5, b6-5} [redacted], 327th MP Bn, Arlington Height, IL who related he had written the letter of reprimand to SPC [redacted]. CPT [redacted] stated he did not think the incident required a counseling

as the soldier was justified in his actions; however the inspecting team (NFI) insisted on the action. CPT [redacted] stated this was the reason the letter was locally imposed, and was destroyed upon the soldiers transfer. CPT [redacted] stated the detainee was not in injured and after an assertion on the part of SPC [redacted] the detainee did not struggle. CPT [redacted] stated there were numerous personnel that observed this incident and only one of the inspecting members complained.

I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH,
 I was deployed to Afghanistan in support of OEF as a Pashto
 linguist / counter intelligence with A Co 221st MI Battalion
 from July 03 - March 04. I was stationed in Gardez, Afghanistan
 with the Provisional Reconstruction Team. My team was
 responsible for the force protection of the PRT. Before
 being attached to the PRT, I assisted the Special Forces
 in a small operation in the Gardez / Paktia Province. I
 assisted SF by providing language support during raids
 and during interrogations. I did this for a period of
 approximately 2.5 - 3 weeks. My job was to perform the
 pre-screening checklist. This checklist providing information
 about the detainee's past, where he was from, # of children,
 occupation, etc. My job also my job was to vet the
 interpreters during interrogations. I ensured the proper
 message was being conveyed from the US forces to the
 interpreter to the detainee and vice versa. I participated
 in around 100 of these interrogations during a 3 week
 period. Most of the time the detainees were only held
 overnight and returned to their homes the next day.
 I at no time ever witnessed any prisoner abuses. I
 never saw anyone punch, kick, strangle, or physically abuse
 any prisoner at any time. Medical care was always given
 to each detainee as well as food, water, and shelter. I
 never saw anyone sexually assault any detainee. I never
 saw any prisoner being stripped of his clothes in order
 to humiliate him. However, I will tell you what I
 did see. I saw the detainees being blind-folded from
 time to time. I saw dogs being used during interrogations.
 The dogs were at no time anywhere close enough to
 the prisoner to do anything. The detainee would be
 on one side of the room and the dog on the
 other. I saw sleep deprivation being performed on the
 detainees. I am not saying the detainees were not

I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

My unit was activated on 07 Feb 03 to support Operation Enduring/Iraqi Freedom. We shipped out of country on 24 Mar 03 and arrived in Kuwait on 25 Mar 03. While in Kuwait I was assigned to Camp Arifjan. I stayed at Camp Arifjan until 15 Jun 04. A couple of weeks prior to that A Co, 221st MI BN, received orders assigning them to the Combined Joint Task Force (CJTF) 180 in Afghanistan. When the unit received their orders I was attached to A Co for the movement. On 15 Jun 04, I left Kuwait and arrived in Bagram Air Field (BAF) on 16 Jun 04. After about two days in BAF I was assigned to the Tactical Human Intelligence (HUMINT) Team, Kabul which moved me from Bagram to the Combined Joint Civil Military Operations Task Force (CJCMOTF) compound in Kabul. The compound is now referred to as the OMC A compound. The team's Area of Responsibility (AOR) was Kabul, Logar and Ghazni provinces. In those areas we were responsible for collecting and maintaining sources and source intelligence. I worked on this team from Jun 03 until Aug 03 when I was reassigned to the Tactical HUMINT Team in Gardez. The base commander pulled me back to BAF so the team could prepare a brief of my transfer to Gardez. I was in BAF for about a month when I left for Gardez. I arrived in Gardez around the end of September. When I arrived in Gardez I was assigned to the Tactical HUMINT Team, Gardez. Our AOR was Logar, Paktia and Paktika provinces. We were responsible for intelligence collection and source operation for the Provincial Reconstruction Team (PRT) and for the Theater Commander. The team was made up of an MI interrogator, a linguist and two Counter Intelligence (CI) Agents. This team was used for collection and recruitment purposes. When the team developed actionable intelligence, which required a possible detention, we would work with either the A or B Team of the Special Forces (SF) unit assigned to the AOR, which consisted of six to eight SF soldiers and a squad of Afghan National Army (ANA) soldiers. On these missions, the SF contingent had lead and was responsible for the apprehension/detention. At times the MI elements would have to actually enforce the detention depending on the circumstances. Usually the ANA soldiers would cordon off the compound and the SF soldiers would conduct the entry with selected ANA soldiers. When the area was considered clear by the SF soldiers, we would enter the compound to identify the detainee and/or collect possible intelligence. SF and ANA would always carry out the detentions of the local nationals. Once the local national was detained they were cuffed in zip ties before leaving the compound and were hooded prior to being put into the transport vehicle. Once we arrived at the compound the detainees were taken directly to the SF compound off loaded. They were usually held them in a temporary staging area while they determined what the order of precedence was for the interviews and while they prepared the interview room and the detention cells. The detainees remained hooded and zip tied while they were in the temporary staging area. The most that I ever saw brought in from one of these missions was 12 detainees but was while I was in Kabul. While in Gardez the most I witnessed being brought in was six to ten detainees. The detainees were kept into the temporary staging area for about 12 - 24 hours. While in the staging area they received food and medical treatment. When the detainees were initially brought in, a doctor from the PRT had to screen the detainees. Once the order of precedence was established and the areas prepared an ANA soldier and a U.S. soldier transported the detainee to the cell where they would sleep. On the average one or two detainees would be assigned to each cell. The most I ever saw was three. When it was determined that a detainee would be interviewed the interview room would be prepared by the interrogator either with MI or SF. They would either alter the lighting or the temperature of the interview depending on the nature of the interview. A detainee would usually be escorted from their cell by a US soldier and/or a translator and an ANA soldier. The detainees were either hooded or blindfolded before they came out of the cell. Once the detainee was taken into the interview he was sat in a chair and remained hooded/blindfolded. The interviews would last anywhere from two to eight hours with appropriate breaks. Usually we didn't go more than two hours without breaks. After the interviews were complete the detainees would be escorted back to the holding cells and the blindfolds/hoods would be removed once they were in the cells. After we conducted interviews we produced a report on information extracted during the interviews and submitted to our higher headquarters at BAF. When we received repatriation notices we would take our detainees to the police chief in Gardez and he would sign for the detainees and assumed custody. When our detainees were repatriated it was handled by the SF. When received repatriations from other places we would transfer the detainees directly from the helicopters to the police chief.

SWORN STATEMENT

For use of this form, see AR 190-45; the proponent agency is Office of The Deputy Chief of Staff for Personnel.

LOCATION [REDACTED] CLINTON, MO 64735	DATE 25 SEP 04	TIME 0123	FILE NUMBER 0287-04-CID 045
LAST NAME, FIRST NAME, MIDDLE NAME [REDACTED] b6-4, b7c-4	SOCIAL SECURITY NUMBER [REDACTED]		GRADE/STATUS E6/AD
ORGANIZATION OR ADDRESS [REDACTED] WINDSOR, MO 65360, 44TH MP			

I WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was activated and mobilized in July 2003 time frame from the 414th MP Co to support the 805th MP Co out of Raleigh, NC. IN July 2003 we conducted Mobilization at Ft. Bragg, NC. IN August of 2003 we landed in Bagram Airbase, Afghanistan. While on Bagram we were a combat support unit supporting many tasks: MP DESK, Law Enforcement, Patrols, Entry Control Points, Escorts, Confinement Facility for (PUC) Prisoners under U.S. Control, and other various missions in support of Task Force 180.

My first two weeks there I was sent out with a Civil Affairs and Special Forces Unit located in Bamian (PRT), Afghanistan where I conducted several missions from area patrols; U.I.P. escorts, AMF (Afghan Militia Force) training, and Liaison with Police (local) and AMF General for the PRT (Province Reconstructive Team). I spent 3 months there as the Military Police Security NCOIC, once relieved by the New Zealand military at the PRT I went back to my platoon (2nd PRT/805th MP Co) to support JTF-180 with above tasks. I initially was trained for patrolling Bagram and taking case reports then I spent about 1 week inside the PUC facility training for Isolation NCO, Escort NCO, and Block NCO, where I was then sent back out by request in support of Civil Affairs and Special Forces for Kanduz PRT. I spent two and a half months at Kanduz conducting the same tasks as for Bamian PRT. At Bamian I had myself, SGT [REDACTED] and SGT [REDACTED]. While supporting the Kanduz PRT as Military Police Security NCOIC I had SGT [REDACTED], SGT [REDACTED], SSGT [REDACTED], SPC [REDACTED] and SPC [REDACTED].

In approximately late January early February time frame we all went back to Bagram Airfield in support of the 805th MP Co's mission to support JTF-180. I was retained on the road and the PUC facility. While the other Unit that was actually in charge of the PUC facility was training our Platoon, I was being shown how to conduct bathroom escorts from the Isolation Cells to the Isolated latrines. Two soldiers assigned to the unit actually in control of the facility (ranks were SPC and I don't recall the names, but both had very bad attitudes when [REDACTED]).

STATEMENT OF [REDACTED]

TAKEN AT [REDACTED] DATED 25 SEP 04 CONTINUED

[REDACTED] discussing anything to do with the detainees. While training me they showed me how to daisy chain the detainees of an Isolation block and then pull their hats down over their eyes so they could not see where they were going. One of the detainees he spoke very fluent English his number was in the [REDACTED]. Anyway during the training and the Daisy Chaining the two SPC's would yell at one of the slower (mentally) detainees who I found out later was kept sedated and was not all there. They would yell at [REDACTED] him call him stupid and guide the chain as to where he would run into something. Once at the latrine isolation area the slower one who was also in the late [REDACTED] or early [REDACTED] (showing he has been there a while) did not sit when instructed to, to await his turn. One of the SPC's started to yell in English at him and the other kicked the back of his legs which forced the detainee to the ground. I immediately told them to stop what they were doing and they developed an attitude with me. They told me that he is a terrorist, who is slow and stupid and that I was not in their chain of command and they did not have to listen to me. I informed both that I was a SSG in the U.S. Army and that if they continued I would see to it that I informed their chain of insubordination. They stopped messing with the detainee and we completed the bathroom escort. I checked the detainee for injuries and there was none apparent. I reported the incident to SSG [REDACTED] who was the dayshift NCO over all in charge of the operation [REDACTED] inside during his shift. I believe that was his name black male, SSG, ex-marine. He was assigned to the other unit who was in charge of the facility. He said he would take care of it. On another [REDACTED] incident while [REDACTED] dispatched to pick up a detainee from a block to be interrogated by MPI, one of the same soldiers (SPC's) packaged him up (placed into leg irons, belly chain and hand irons) as I walked with the detainee after pick up he started to complain about something that I could not understand. I escorted him to MPI. When I picked him up to return he was still complaining. I stopped by one of the nearest cells and asked a detainee who spoke English what he was saying. He said that the cuffs were too tight and that his leg hurt. I checked the cuffs on his ankles and they were indeed too tight and had cut into the back of his [REDACTED] ankle (left) and it was [REDACTED]

[REDACTED] bleeding, I reported to the Sergeant of the Guard and informed him of the situation and told him I was going to take him to see the medic. I loosened the leg cuffs and escorted the detainee [REDACTED] to the medic. The medic put a disinfectant on the cut and gave the detainee band aids to change. I reported the cuffs being too tight and the next morning during guardmount it was not mentioned, so I mentioned to the shift to ensure they check the tightness of the cuffs to ensure they were placed on the detainees correctly (two finger gap and double locked). About a week or two later that (SPC was now a PFC and did not work in the facility for a while).

On another occasion while working dayshift I received numerous complaints that the night shift would not conduct bathroom escorts when needed by detainees. The detainee who spoke fluent English and was working with MCI, CID and was given special privileges, was [REDACTED] picked up in the U.S., his number being late [REDACTED] or early [REDACTED]. He was also a diabetic and required fruit and milk with his meals. He said that a lot of the detainees in his isolation cell were not allowed to go to the bathroom at night when requested because there was no one manning the ISO block. I told him I would report it and I did. On a few occasions when I came on shift about 3 times I had to change out the uniforms of the detainees due to them messing on themselves in the night from not being allowed to go to the bathroom. I reported the incident to SSG [REDACTED] and also SSG [REDACTED]. Can't remember her last name but she is with the 914th MPCo and lives in Oklahoma. She on occasions acted as Sergeant of Guard when SSG [REDACTED] was not there (O/D). SSG [REDACTED] is SSG [REDACTED].

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I arrived at Bagram, Afghanistan on 15 Jun 03, and arrived in Gardez, Afghanistan on 19 Jul 04. I was stationed there until 11 Mar 04, when I returned to Bagram, Afghanistan to out process. I was assigned to A Co, 221st Military Intelligence (MI) BN, as part of the Tactical Human Intelligence Team, Gardez (THT Gardez). Initially, there was only three of us, SSG [Redacted], SGT [Redacted] and myself. SSG [Redacted] and SGT [Redacted] were originally from 415th MI Bn, LA USANG. Around the end of Sep, beginning of Oct 03, SGT [Redacted], B Co, 221st MI arrived and was part of our team. Initially, our job was to provide direct support to US Army Special Forces (SF) teams, in support of Operation Warrior Sweep from the end of Jul 03 to about around 10 or 11 Aug 03. After that, we transitioned to general support [Redacted] 180, with re-enforcing support to the Provisional Reconstruction Team (PRT) Gardez, and US Forces co-located with the PRT at Gardez Fire Base. What we did was collect intelligence that was sent up to JTF 180. If someone was apprehended in the Gardez area, based upon the intelligence that we produced, then most often, but not always, we would take responsibility for the detainee. In assuming responsibility of the detainee, we would process the individual, which included completing a personal data sheet; ensure there was a complete medical screening that included a strip search and body cavity search. The medical screening was conducted by either a SF medic or a regular army medic, which ever was available. The purpose of the medical screening and strip search was to document any pre-existing injuries or illnesses and ensure they received treatment. The purpose of the body cavity search was to ensure the individual did not have anything concealed in his rectum, which was a result of a detainee in Bagram being found with items in his rectum. The body cavity search was always conducted by medical personnel and was conducted in accordance with the Gardez Fire Base (GFB) Standard Operating Procedure (SOP). After that, we conducted the interview or interrogation, ensured they were fed, ensured they were properly housed, and basically took responsibility for their overall care and well-being while they were housed at GFB. We had 96 hours to provide supporting intelligence to CJTF 180 at Bagram, with a recommendation that the individual be released or further detained at Bagram or Kandahar. Once a decision was made by CJTF 180, we would either release the individual or continue to hold the individual until CJTF 180 made arrangements to move the individual. While and individual was under our care, from the time they arrived until the time they departed, they received three meals a day, a daily check by a medic, and they housed and protected from the elements. There were numerous detainees that were brought into GTF that we had no responsibility for, in that there were numerous agencies, such as CIA, DHS, FBI, [Redacted] etc., that detained individuals at GTF but since we had nothing to do with the intelligence aspect, we were not involved in the interviews, interrogations, initial processing or their housing. Additionally, if the SF brought in someone that we had nothing to do with from an intelligence stand point, we did not assume responsibility for the individual, or conduct the interviews and interrogations.

Q: Do you remember being involved with Mr. [Redacted]
A: The name sounds familiar as far as a personality in the Gardez area, but I know that my team did not have any dealings with him.
Q: Do you remember being involved with Mr. [Redacted]
A: Again that name sounds familiar but I don't think we had any dealings with him either.
Q: Do you remember being involved with Mr. [Redacted]
A: That name does not ring a bell.
Q: Do you remember being involved with Mr. [Redacted]
A: No, that name does not ring a bell either.
Q: Did you work with any [Redacted] while you were there

STATEMENT OF [REDACTED] TAKEN AT Ft McPherson, GA DATED 2004/11/05

b7c-5, b6-5 ALL

STATEMENT (Continued)

A: Yes, on occasion, but the detainee would not know that he was dealing with [REDACTED] as I never heard of any military members telling a detainee anything other than they were with the US Military. I never hear anyone tell a detainee they were SF or a [REDACTED]. We never even told them we were MI.

Q: Did you ever see anyone being mistreated?

A: No, everyone that we worked with was very professional and followed the guidance in dealing with detainees, as did we.

Q: Do you have any knowledge of detainee abuse?

A: No, I never saw or heard anything about abuse of detainees by US Forces. Some of the detainees did complain that they were being abused in that they did not like the Halal meals they were provided. The Halal meal is like an MRE but it is made for the diet that supports the religious convictions of Judaism and Islam. There was one occasion where a detainee, not one of ours, complained that an Afghan Security Guard had assaulted him during the night when US personnel were not around. The incident was brought to the attention of the SF leadership, who had primary for all detainees at GFB. The Afghan guard was removed from detainee guard duty and the Afghan Security force was informed that such actions would not be tolerated, and if it happened again, action would be taken against them. I don't know if the incident really occurred, it was just a complaint that was made. None of our detainees ever complained about any mistreatment other than the food, and none of our detainees ever expressed any complaints or concerns about how other detainees were treated.

Q: Did you ever see anyone hung from their feet?

A: No. They only restraints I ever saw was flexi-cuffs and standard hand cuffs.

Q: Did you ever see chains being used on an individual?

A: No.

Q: Did you ever see a detainee secured to an immovable object, such as a wall, by any means?

A: No.

Q: Did you ever see or hear about detainees being forced to disrobe and being photographed while naked?

A: No. We did expose photographs of their faces for identification purposes. I suppose that if a detainee was found to have injuries during their in processing, photographs may have been exposed of the injuries for documentation purposes. None of our detainees were ever found to be injured so no photographs were exposed. I don't know what any other agency may have done. I heard no complaints of anything like that. There were not any pictures of naked detainees floating around GFB. We were very mindful of what we did because three times while I was there we had Army Oversight and Red Cross come and question us about allegations and look into our procedures. I don't know of any of the allegations ever being founded because there was no action taken against anyone with we were there.

Q: Do you have any knowledge of objects being inserted into the anuses of detainees?

A: No, but I don't know what the medics used during the body cavity searches as I did not oversee the search, but I never saw anything like that nor did I hear of it.

Q: Did you ever see anyone stand or walk on a detainee?

A: No.

Q: Did you ever see anyone strike a detainee?

A: No.

Q: Do you have anything you wish to add to this statement at this time?

A: No.///END OF STATEMENT/// [REDACTED]

b. CIDR 195-1, paragraph 4-6b(1), CID Operations, 15 January 2004.

2. As of 21 May 04, this Command has initiated 74 Reports of Investigation (ROI) in Afghanistan and Iraq concerning the abuse of detained persons by U.S. military and civilian contracted personnel. These investigations have generated significant Department of Defense, Congressional, and international attention. Several Congressional and Department of Defense task forces and commissions have been created to review divergent aspects of detainee operations as well as investigations conducted by the USACIDC. It is expected this scrutiny and oversight will continue for the foreseeable future.

3. Effective 25 May 04, the Commanding General, USACIDC, has designated all detainee abuse ROIs as category I monitorship. All field elements are directed to reference 1b for timeliness and timely reporting requirements. In addition, all ROIs dispatched effective this date will be SSI reportable and will reflect the following statement as the first paragraph of the investigative summary, "This is a detainee abuse investigation."

4. For the purposes of this requirement a "detainee" is defined as any person captured or otherwise detained by an armed force. The detention need not occur at a MP controlled detention facility and may include checkpoints and cordon and search operations. "Abuse" includes, but is not limited to, punitive articles of the Uniform Code of Military Justice and/or similar provisions of Title 18, US Code.

5. Weekly updates to this headquarters as described in reference 1b will be forwarded via e-mail to Mr. [REDACTED]@belvoir.army.mil and CW5 [REDACTED]@belvoir.army.mil 66-1.67C-1

I tried emailing you last week with an update, but it said there was a delay in the transfer. This is where we are today; based on the guidance of the SAC, I have coordinated with SGM [Redacted] and had him separate the soldiers by unit/state. This morning I will be conferring with the closest office to those units and request that they conduct the canvass interviews. Our office just cannot make that many phone calls a day and be remotely successful in completing this RFA in the quickest amount of time as possible; this has been open for over two months. I want it closed and off my books and you want the info to close case. I will let you know what the other offices say. *66767C-3*

Here is where I stand at this time with your RFA. We have telephonically called about all the soldiers on the alert roster that deployed to Afghanistan. The others that we have not called are due to bad info, i.e. disconnected phones, the person does not live there anymore or it's a wrong number all together. When I say called that means we have placed a call to the number provide to us, now we have only coordinated and canvassed a total of 15 soldiers that deployed. There are a couple of problems with this RFA:

- 1) There are approximately 150 soldiers to canvass.
- 2) There are soldiers that were pulled from other MP Units across the states to get 805th at 100%, so we have soldiers from the 414th MP CO, Joplin, MO; 320th MP CO, Clearwater, FL and the 805th MP CO, Raleigh, NC.
- 3) Most of the calls are placed during our duty hours up to about 1930-2000hrs and we're still not getting a hold of the soldiers.

This RFA is going to take sometime to complete, but the good news is that no one is saying that they saw, witnessed, heard or took part in any detainee abuse while deployed down range. The ones that we have talked to have said that the detainees had it good while at the BAF and were treated well. I will keep you posted on any new changes regarding this RFA. I owe you a 2nd Info Report by 6 Aug 04.

Hey, we finished same last week, you didn't get my e-mail? Anyway, we did a lot of soldiers from the 327th MP Bn. I'll attach a copy of the AIR to this e-mail. The canvass worksheets are part of the report (handwritten however) with home address' and phone #'s. Enjoy the read, it is really boring (ha ha). Keep you head down and stay away from the embassy area (ha ha).

This is there first since there redeploy. Also are you aware that there were other MP's there that had access to PUC's? The 805th MP Co, is another MP Company that was at Bagram DF. I was in Kandahar last year (Jun - Dec 04) and I brought PUC's in with Infantry, SF and OGA members throughout the time I was there, this is how I know about the PUC's and making it there. Here is the info on your RFA. 0050-04-CID369-69273 is your case number. If you want these done in person, then we will have to wait till 11-12 Sep. I am going to have the agent do them over the telephone and when someone give us anything significant, they will get a 2823 from them. With 60-70 people and they are all over the state, that's the best I can do. Also, it won't be done in 24 hours, so we will give you weekly briefs on the people we talk with. Hit me back if there are any problems. SA [Redacted] cc line, is the POC for this actions.

I coordinated with SGM [Redacted] who related that the 805th MP Co is not due to have a drill until 11-12 Sept 04. SGM [Redacted] also related that there were 150 soldiers deployed to Afghanistan with the 805th MP Co, 70-80 of those soldiers came from the 414th MP Co, Joplin, MO. I coordinated with SGM [Redacted] to *b6-1,67C-1* obtain the deployment roster for all the 805th MP Co, during the time in question and a current alert roster for all those soldiers. SGM [Redacted] related that he would get the requested info to SA [Redacted] ASAP, but related that it could take until 1600 or later. Our case # is 0536-04-CID023.

CPT [redacted] has told me that he believes the 414th MP Co provided "fillers" to the 805th MP Co in order to get them up to strength for Mobilization/Deployment. And from anything I've seen here, there was no 414th MP Co while the 805th was here. You're probably looking for individuals not the unit. I recommend you get w/the Reserve and National Guard Affairs Office in Motel 6 (upstairs next to Finance). They can probably link you in much faster than I to whomever/or whatever unit you need to get with. They should have links back to NGB which should be able to locate the unit.

Thanks,

We are fairly positive this is the person. We have records showing a [redacted] Gardez Police was a detainee at Gardez during the time frame in question. We have the records tracking him. Until we know for definite, I don't feel comfortable labeling this person as the victim.

MEMORANDUM FOR RECORD

SUBJECT: Operational Review of 0050-04-CID369-69273

1. On 10 May 04, this office received a Request for Investigation (0212-04-CID001) from Headquarters, USACIDC, requesting this office to conduct an operational review of all detainee deaths and other crimes against detainees by U.S. Military personnel.
2. On 19 May 04, the undersigned conducted an operational review of the above referenced Report of Investigation (ROI) and determined that it was operationally sufficient. This ROI was initiated on 11 May 04, and is still an open investigation, which still has the following remaining leads:
 - a. Identification and interviews of the suspect(s) who abused the detainee.
 - b. Identification and interviews of the translators who were present during the abuse of the trainee.
 - c. Canvass interviews of personnel who had contact with the detainee at all U.S. military installations in Afghanistan.
3. All indications are that U.S. Navy personnel abused the detainee at the Gardez fire base, Afghanistan; however, this will be confirmed after the translation and review of the victim's statement is accomplished, and the U.S. military personnel are identified.
4. POC for this action is the undersigned at DSN: [REDACTED] or email: NIPR [REDACTED]@baf.afgn.army.mil, SIPR baf-cid-sac@baf.cjtf76.army.smil.mil.
