NOT RESPOND

Detainee Death during weekend combat. During a jointly conducted, Army led raid this past weekend of a house in Iraq (NFI) involving support by USMC Regimental Combat Team (RCT) 7, an Iraqi who was detained and "ziplocked" (flexicuffed) died while in custody. Preliminary information is that the detainee died from an apparent heart attack. Army CID has the lead on this investigation; NCIS assistance, if any, will be in support of CID effort. (SOI - Jun 21 Telcons with SA [REDACTED] I MEF)
